you in mind

Secluded location - Feel The Serenity!

This beautiful 2 bedroom home with a study has the ideal location. The spacious rear deck overlooks the natural green spaces brimming with gentle wildlife. Built when sizing was generous, the study has potential to become third bedroom and there is a second toilet ideal for guests. The dining room opens directly onto the rear deck offering alfresco living. This home is a must see for those that want the security of Community living without feeling fenced in.

- Solar Panels
- Private location
- Over 55's Lifestyle Community
