Pet Friendly Home

For the first time, this family home is being offered to the market. Loved and cared for by the same family since the beginning, it remains neat and tidy throughout while offering the perfect opportunity for renovation. Featuring two bedrooms, bathroom, separate toilet, utility room, inside laundry, and both front and rear decks, the home provides a practical layout with plenty of potential. Set amongst well-maintained gardens in a pet-friendly area of Edgewater, it is ready for new owners to add their own style and create something special.

- Pet Friendly - Small Dog
- Large Back Decking
