GENEROUS BACK YARD

This two bedroom home is ready for you to make it your own, change the flooring, give it a nice fresh paint throughout, maybe even add in a modern bathroom and it will be a beautiful home and close to the front of the village. The backyard leading from the 2 car garage is a great size for setting up an entertaining area or even for your furry friend to run around in. Give us a call to inspect this home, we don't think it will last long.
