Spacious two bedroom home on a great block

Lovely well maintained two bedroom home featuring an amazing private back yard space where you could get creative with a veggie patch or an outdoor BBQ area for entertaining. The main entrance opens into the living area which has a neutral grey carpet through out leading into the dining room and kitchen. There are two great sized bedrooms and a walk in robe in the main bedroom. The second bedroom can be used for the family or friends to visit or has potential for a work from home space with lots of natural light.
